

Complaints Policy

Lake District Mobility aims to provide high quality services which meet your needs. However, if we should, in your opinion, fall short of the high standards we set, please let us know. You can contact us via our website or by telephone, letter or email.

With this policy, we hope:

- To improve the quality of the services Lake District Mobility provides
- To improve our relations with our service users
- To encourage best practice by Lake District Mobility staff

LDM seeks to provide a consistent, positive and fair process for handling all formal complaints whether or not they are justified.

We pledge to deal with all complaints promptly and in a structured manner. LDM also undertakes to ensure that the outcome of a complaint will, if the complaint be upheld, form the basis of a process to improve the service provided: that this will be a monitored and evaluated process.

Our commitment

A complaint either verbal or written will be investigated and a written reply sent to you within 28 days.

You have the right, if dissatisfied with the results of the inquiry, to put your case personally to the Board of Trustees.

All complaints will be recorded in the Complaints File and the Board of Trustees will be informed of the number and nature of any complaints and the action taken to allow Lake District Mobility to improve its services.
